

Sign Up For a Keep Islip Clean Greatest American Cleanup Event

Join us as we get ready for the 250th July 4th Celebration

KIC Adopt-A-Highway/Adopt-A-Spot Volunteers do a great job all year keeping their adopted areas litter free. **As a reminder, at least one AAH/AAS cleanup must take place in April**, which is Earth Month. Your cleanup will not only fulfill a requirement of the program; it will be your own Earth Day celebration!
